

GENERAL CONDITONS TO GET THE MONEY

January 25, 2013

I will award the prizes below as long as I am not too senile to understand the proofs I receive. If I can't understand them I will not pay. If you do not hurry you better find very, very simple proofs.

Of course I will pay only for the *first* solution I receive. Please note however that you do not need to be the author of this solution in order to get the money, it is just fine if you buy it from somebody else for half the amount I offer.
